**Joshua Rosbach Memorial Initiative™**

Recovery at Sea™ Program

**Mission Statement**

The Joshua Rosbach Memorial Initiative is dedicated to providing empirically proven treatments to address addiction and co-occurring mental illnesses that serve as a catalyst for substance use. We provide holistic treatment by addressing not only the addiction but also the mind, body and spirit.

Our program provides an exceptional continuum of care that exceeds industry standard of best practice. We will begin with safely assisting you through medical detox, if needed. This is followed by rehab and an individualized treatment plan created by your personal team of experts. Throughout your treatment you will be provided extensive in-depth, insight oriented therapeutic programming. Your treatment team will support you in every stage and will aid in identifying when you are ready to move through the stages of the program. We are dedicated to supporting you so you can consume the skills needed to become the best version of yourself at your own pace.

While in the care of our team of psychiatric and therapeutic experts you will be provided an array of therapeutic modalities medication maintenance and individual therapy. Clients will be provided psychoeducation and treatment intervention including but not limited to:

- Relapse prevention Planning
- Dialectical behavioral therapy (DBT)
- Cognitive behavioral therapy (CBT)
- Rational emotive behavioral therapy (REBT)
- Eye movement desensitization and reprocessing (EMDR)
- Schema therapy

Our specialized program is positioned onboard a well-appointed ocean barge, that can house 225 participants and a medical doctor accompanied by psychologists, nurses, and other professionals to include a chef with excellent cuisine and full staff.

Fully equipped with a team of experts with a ship's crew, they target the achievable steps toward completing the larger goals towards the client gaining their independence and function. We are equally focused on fostering the growth of clientele to embrace serenity in ways that are healthy, responsible and creative.
